Welcome **from the McDowell Family**

Dear Cattle Friends,

Welcome to the 2021 Complete Package Female Sale. This is the first large public offering of females in over 12 years. Without selling females, our herd has grown past what we can support in a grass based system. As our roles have changed, we also find that time has become a limiting factor. Since answering the call to become a full time Pastor at County Line Baptist Church I have committed to serve The Lord with our time and resources. The end result is the decision to offer this group of females. These cows have served us well, producing the bulls making up the bull sales that have been so successful. The bulls these cows have raised can compete with any herd in the country as evidenced by our continued placement of bulls in major AI Studs. These cows are still in the prime of their life and should continue to produce for you. They are in their working condition and have not been pampered. As it should be in life, what you see is what the cattle are. We don't think that a sale day haircut will change that. Study the EPD's and phenotype of the offering, they are consistent and solid. The fall calving cows are bred to the top bulls in the breed for calving ease and balance. The spring calves at side are sired by some of the most exciting bulls out there. We are so confident that these cows will produce we would be happy to discuss a calf buy back option with you.

We encourage and invite you to call or visit before the sale. There is always time to talk cows and seeing the 2020 born calves we just weaned will knock your socks off! More importantly, if you want to learn more about our Biblical world view, we are here. We serve a mighty God and cannot separate one walk from another. We look forward to visiting with each of you.

God bless and see you soon.

The McDowell Family
